

Arsene knows. Jürgen, too.

Whether it's football or specialty chemicals, creativity makes all the difference. While Borussia Dortmund often turns startling ideas into stunning goals, we turn innovative solutions into invaluable benefits for our customers. And provide answers to today's megatrends of health & nutrition, resource efficiency and globalization. We are the creative industrial group from Germany and one of the world's leading specialty chemicals companies.

Borussia Dortmund, we're right behind you.
